SUPERVISOR COMMENTS

It was another extremely busy shift. Although the shift only took seven report calls, the majority of them took a lot of resources to investigate. Seven people were arrested, one for two separate traffic collisions involving DUI and Hit & run. All but one of the seven were booked at the jail. Three of the seven needed medical clearance prior to booking. Resources were spread very thin due to an armed robbery investigation, three DUI traffic collisions and a firearm & narcotics possession investigation. Three officers were held over for several hours to help out with the investigations and medical clearances.
