SUPERVISOR COMMENTS

Officers responded to one of the taco trucks in town for the report of a disturbance in-progress. when officers arrived, they located the male who was causing the issue. The male was under the influence of a stimulant and was in possession of a meth pipe. He refused to provide officers with his date of birth which made it difficult for officers to identify him. Officers eventually found out who he was and he was arrested and booked for public intoxication and delaying the officer's investigation. Another officer made a traffic stop and contacted the driver who was determined to have two out-of-county warrants. He was arrested and released with a promise to appear.
