SUPERVISOR COMMENTS

This day did not start off as busy as they previous days. Officers wrote reports on 9 different incidents, with a majority of them being for theft related crimes. The most prominent call for the day was a short pursuit one of the lieutenants was involved in, while driving to work in a department unmarked police car on highway 99. While driving to work, a subject decided to make an unsafe lane change in front of him and almost caused a collision. The subject then decided to make a vulgar hand gesture to the lieutenant and he activated his brakes while still in front of the lieutenant. The lieutenant was able to avoid colliding with the subject, and activated his red and blue emergency lights but the subject continued to try to evade the lieutenant. The subject was eventually apprehended when he arrived in the city limits. He was taken to jail and his vehicle was towed from the scene.
