SUPERVISOR COMMENTS

Due to foggy weather conditions, there were limited calls for service after 2200 hours. However, officers continued to patrol their assigned areas and conducted additional extra patrols. Officers responded to a traffic collision involving a vehicle that struck several parked cars. The reporting party indicated that the driver had slurred speech. Through the course of the investigation, it was determined the driver was not under the influence. The passenger in the vehicle fled the scene prior to officers' arrival and was not located in the area.
