SUPERVISOR COMMENTS

Tonight was a much busier night for the graveyard crew. Officers were busy with multiple arrests. Early in the shift, a traffic stop was made and the driver showed symptoms of being under the influence. After an investigation, the driver was arrested and taken to jail for DWI. His BAC was .18/.19. Officers later responded to a report of a female who was breaking vehicle windows with a golf club. Apparently, she was very upset with her boyfriend (who luckily was not present). She was eventually arrested and taken to jail without incident. Officers also responded to a female who was pounding on the front door of a local bar. The bar was closed for the night, but she refused to quit. She was also arrested and taken to jail for being heavily intoxicated.
