SUPERVISOR COMMENTS

Dayshift was very busy throughout the entire duration of our shift. At one point, three separate officers were out of the city booking suspects into jail for unrelated offenses. Later in the afternoon, a solo vehicle collision occurred in which a vehicle struck a telephone pole, a wall, and a fence before coming to rest. The driver, who was the sole occupant of the vehicle, sustained minor injuries and was transported to the hospital for treatment.

SUPERVISOR COMMENTS

Calls for service were minimal this evening with most of the activity being self-initiated. However, there was a shoplifter call where a male put some clothes on at Kohls and left without paying for them. He got in a car and almost made it out of town. He was stopped at Fulkerth Rd and 99 on-ramp and arrested. Two males went to jail for warrants this evening.

One male and one female were cited for warrants and another male was cited for drug possession.

SHIFT: GRAVEYARD SHIFT

Sgt. Cervantez

NUMBER OF REPORTS: 1

CATEGORIES

1 Resisting Arrest

SUPERVISOR COMMENTS

A low call volume last night provided free time for officers to proactively patrol and make enforcement stops. During one incident, an officer attempted to pull a male over who was riding a bike after the officer saw two violations occurring. The male decided not to stop and tried to flee on his bike. After a short chase the officer took him into custody. He was on PRCS and in possession of Meth. Probation authorized a violation and he was booked for resisting, drug possession, and a PRCS violation.
