SUPERVISOR COMMENTS

This Friday was probably one of the busiest we've had on dayshift this entire rotation. The calls started to roll in about 8am and they just kept coming. Officers responded to several incidents that required arrests and bookings into jail. Having 2 SROs was a huge help with transporting the prisoners to jail, and freeing up the beat officer to handle other calls. Several arrests were made for narcotics and trespassing related incidents. The most time intensive revolved around a traffic collision. One of the vehicles was rolled over and the other was almost on its side. This happened in an intersection of a busy city street downtown and it had to be blocked for a while, until the vehicles could be removed. Luckily no serious injuries were reported, and no impairment was suspected from either driver.

SUPERVISOR COMMENTS

It was a peaceful Friday evening, besides a couple of calls. An officer investigated a case of a male stalking his ex-girlfriend. He followed her and tried to open her car door at one point. He was not located yet, but he is wanted for stalking and a judge approved an Emergency Protective Order for the victim. Officers responded to a call of multiple female juveniles fighting in the street. Once the dust settled, officers determined two were fighting when others decided to join in. The bigger problem arose when one of the juveniles decided to kick another juvenile in the head while she was on the ground. All caught on video. This young lady was booked in juvenile hall for felony assault.

SUPERVISOR COMMENTS

An officer investigated a theft after a male reported his ex-girlfriend took his laptop worth over \$2,500. The male provided text messages from the ex-girlfriend that confirmed she took it because he was unwilling to continue working on the relationship with her. Officers were unable to contact her and an I&B for her arrest was completed. Officers responded to a commercial alarm and located two people walking in the area. They were not involved but both had warrants and were arrested.
