REQUEST FOR PROPOSAL

BID NO. 20-027 and 20-028

FOR

CATIONIC EMULSION POLYMER & ANIONIC EMULSION POLYMER

INFORMATIONAL ADDENDUM NO. 2

DATED ISSUED: August 25, 2020

1. **For the current pricing what is the unit of measure (lbs. or gallon)?**
Anionic - \$3.0750 **lb. pail**
Cationic - \$1.32 **lb.**
2. **For bids do you want unit pricing in lbs. or gallons?**
The bid calls for three separate price measurements: 5-gallon pail, 55-gallon drum and 275-gallon tote. All measurements in gallons.
3. **So to confirm, the Anionic Emulsion Polymer bid 20-028 the pricing should be submitted **per gallon** for 5 gallon pail, 55 gallon drum and 275 gallon tote. And, the current price for Anionic is \$3.0750 **lb. in a pail.****
Yes, correct.
4. **For Cationic Emulsion Polymer bid 20-027 the pricing should be submitted **per pound** for a tote (275 gallon)?**
Price per pound is sufficient the department can do the calculations for comparison.
