# City Update

Dear Turlock Community,

As we reflect on the past month, I'm reminded once again of the incredible sense of community that defines our city.

Halloween was such a fun time for families across Turlock, especially during the October 30th Trick-or-Treat & Meet event at our Public Safety Center. It was wonderful that so many families, vendors, and City departments came together to create a safe and enjoyable evening for all.

The Annual City of Turlock Job Fair was another great success, bringing together more than 40 employers and over 460 job seekers. Events like these strengthen our local workforce and help connect residents with meaningful career opportunities right here in Turlock.

The City's Roads Program continues to make strong progress, with recent improvements on Zinfandel Lane and Novo Drive, and construction is underway on California Avenue, Arbor Way, Linda Vista Street, La Sombra Court, Linn Court, North Quincy Road, and more. The recent Geer Road Rehabilitation Project meeting underscored the City's continued commitment to infrastructure improvements, with several additional miles of road projects planned. Roads and public safety remain top priorities, and I'm proud of the progress we've made together.

Have you seen our "Discover Turlock for the Holidays" videos? This citywide campaign is designed to attract more visitors to Turlock while encouraging residents to shop local and support our businesses. So far, our holiday ads have been viewed more than 389,000 times, spreading holiday cheer and showcasing all that Turlock has to offer this season!

As we look ahead, I want to take a moment to thank our City staff, leadership team, and community partners for their continued dedication and hard work. Turlock is strong because of our shared commitment to collaboration, growth, and community pride.

Lastly, don't miss out on our fun upcoming community events!

I look forward to celebrating the season with all of you.

*-Amy Bublak*

P.S. Chick-fil-A (2630 West Tuolumne Road) will be breaking ground at the end of November!
