

Water Conservation Tips!

Follow your winter watering schedule:

November 1 – February 28
Even addresses – Saturday
Odd addresses – Sunday

No watering between 9:00 AM & 9:00 PM

Fix leaky faucets, hoses, and toilets

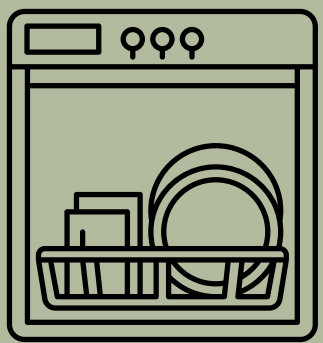

Did you know you save hundreds of dollars a year by fixing your leaky faucet?

Take shorter showers & use minimum amount of bath water

Did you know that a 5 minute shower uses 50% less water than 10 minute showers? Also, only fill up your bathtub about 1/3 full when in use!

Use an energy efficient dishwasher

Did you know you save more water by using your dishwasher than washing by hand?

Use a broom to clean your driveway

Did you know 10 minutes of water usage can easily use 100 gallons!
