The City of Turlock and the Turlock/Stanislaus County HOME Consortium are developing its Fiscal Year 2022-2023 Annual Action Plan. The Annual Action Plan (AAP) outlines the City's and Consortium's housing and community development needs, and provides a one-year action plan on how the City and Consortium intends to use its federal funds in order to address those needs. These plans, which include the Community Development Block Grant (CDBG) and HOME Investment partnerships (HOME) funding for the Turlock/Stanislaus County HOME Consortium identify community development activities designed to address the needs of low- and moderate-income persons. If you would like to provide comments, the City welcomes your attendance at this meeting.
