Community Invited to 2026 State of Turlock Address

Turlock, CA | August 21, 2026 — The City of Turlock invites residents to attend the 2026 State of Turlock Address, presented by Mayor Amy Bublak on Thursday, August 27, at Harvest Church's Downtown Turlock Campus.

The annual address is an opportunity for residents to hear about the work taking place throughout Turlock, celebrate the progress being made in the community they call home, and hear the vision for where Turlock is headed next.

This year's theme, "We've Got You Covered," celebrates the services, people, partnerships, and shared commitment that make Turlock such a great place to live, work, raise a family, and call home. Throughout the address, Mayor Bublak will share how the City is working to serve its residents today while continuing to build a strong future for Turlock. Approximately 300 to 400 attendees are expected to gather for this year's address.

> "Turlock is a community that looks out for one another, and that is at the heart of this year's State of Turlock Address," said Mayor Amy Bublak. "There is a lot to be proud of in our city, and I'm excited to celebrate what makes Turlock special, recognize the work happening throughout our community, and look ahead to where we are going."

This year's event will also bring the "We've Got You Covered" theme to life through interactive elements focused on Turlock's community. Attendees will have an opportunity to share what they love most about Turlock, highlighting the people, places, and qualities that make the community special.

Stanislaus County District 2 Supervisor Vito Chiesa will join the program as a special guest, along with Turlock City Manager Dr. John J. Murphy.

A complimentary lunch will also be provided for all attendees, thanks to the generous support of Texas Roadhouse, Nothing Bundt Cakes, and Chick-fil-A here in Turlock.
